U.S. dollar amounts in this book are converted from yen, for convenience only at the rate of ¥107.39 = \$1, the approximate exchange rate on March 31, 2005.

換算レートについては2005年3月31日時点の終値1ドル=¥107.39を参考値として採用しています。

## 1. Year Ended March 2005 (New Treatment Standard)

- (1) Beginning with the year ended March 2005, differentiation between "voice communications" and "digital data transmission services and other" within telecommunications business operating revenues has been eliminated. In this document, these results are provided as reference for the consolidated results only.
- (2) The name of the former "BBC & Solutions Business" has been changed to "Fixed-line Business." In addition, beginning this year the results from KDDI Network & Solutions Inc. (KNSL), which was launched in November 2004, are consolidated with the fixed-line business. For the purpose of comparison, the results for the year ended March 2004 are also presented using this new treatment standard.
- (3) Beginning from the year ended March 2005, the Pocket business has been transferred and is not included in the consolidated results.
- (4) As part of business segment integration with the financial statement, beginning from the year ended March 2005, transactions between the au and fixed-line segments in the KDDI single-base results are handled as cross-trades between sales/expenses. (Previously they were commuted and listed as "minus" in the expenses column.) For the purpose of comparison, the results for the year ended March 2004 have also been presented using this new treatment standard. There are no effects on operating profits as a result of this change.
- (5) As part of business segment integration with the financial statement, beginning from the year ended March 2005, the results from the TU-KA business and "Other Business" were changed from simple totals for each company to consolidated values. For the purpose of comparison, the results for the year ended March 2004 are also presented using this new treatment standard.

## 2. Handling of the Year Ended March 2001

The consolidated results are calculated by simply adding up the old KDD and IDO results for the first half of the year ended March 2001. The au Business results and the Fixed-line Business results are also calculated by simply adding up the old IDO and KDD results respectively.

## 1. 2005年3月期(新基準)

- 1) 2005年3月期より、会計上において電気通信営業収益の「音声伝送」「データ伝送」等の区分は行っておりません。当資料では、これらの実績を連結のみ参考のため掲載しております。
- 2) 旧「BBCソリューション事業」は「固定通信事業」へ名称が変更となりました。また、2004年11月に発足した「KDDIネットワーク&ソリューションズ」(KNSL)について、固定通信事業に連結しており、比較のため2004年3月期に遡及して同基準にて表示しています。
- 3) 2005年3月期下期より、ポケット事業は事業譲渡により連結から除外しております。
- 4) 2005年3月期より、決算短信とのセグメント統一に伴い、KDDI単体内のau/固定のセグメント間取引を売上/費用の両建てとしております(従来は費用のマイナスへ振り替えて表示しておりました)。2004年3月期についても比較のために新基準にて表示しております。なお本変更に伴う営業利益への影響はございません。
- 5) 2005年3月期より決算短信とのセグメント統一に伴い、ツアー事業並びにその他事業については各社の単純合算から連結値に変更となりました。2004年3月期についても比較のために新基準にて表示しております。

## 2. 2001年3月期の取り扱い

連結の数値に関して、旧KDD、IDOの2001年3月期上期の数値を単純合算しております。また、au事業についてはIDOの数値を、固定通信事業についてはKDDの数値をそれぞれ同様に単純合算しています。
