Notice Relating to Revision of Year-end Dividend Forecast for the Year Ending March 31, 2006

KDDI Corporation (hereinafter "KDDI") resolved at a meeting of the Board of Directors held on March 15, 2006 to revise its year-end per share dividend forecast for the fiscal year ending March 31, 2006 as follows.

Particulars

1. Reasons for the dividend forecast revision (dividend increase)

KDDI regards the return of profits to shareholders as one of its most important issues and will therefore maintain its basic policy to pay stable dividends well supported by sound financial results.

In the year ending March 31, 2006, business results have progressed steadily due to the positive performance of the Mobile business, while the Fixed-line business continues to be in a severe environment

Accordingly, KDDI plans to increase dividend payment as set forth below in order to enhance the return of profits to shareholders and give sincere appreciation for their continued support, with due considerations to business developments toward improved performance going forward.

This matter will be discussed at the 22st Annual Meeting of Shareholders scheduled for June, 2006.

2. Details of the revision

	Interim	Year-end	Total Annual
Previous forecast (Announced January 24, 2006)	¥3,500	¥3,500	¥7,000
Revised forecast	¥3,500	¥4,500	¥8,000
(Reference) Dividends paid for fiscal year ended March 31, 2005	¥3,400 (includes commemorative dividend of ¥1,000)	¥3,500	¥6,900

Note: The interim dividend of ¥3,500 per share has already been paid.
